A NOVEL

Introduction

Archaeologist Dr. Lou Fitzgerald is used to unexpected happenings, and they don't normally faze her. After surviving a formative years disability, and managing an unfair boss, Lou has discovered the artwork of rolling with the punches. But when she arrives at Dark Lake, what changed into purported to be a easy archaeological dig is past even her wildest imaginations. Land owner Evan Close has his very own reasons for keeping the secrets of Dark Lake, and this appealing interloper is a risk. Her valuable dig threatens to convey his house of cards tumbling down around him, and he feels helpless to prevent it. It quickly turns into apparent there are darkish forces at work, and Lous easy venture becomes a mystery. Solving that mystery comes with a steep rate.
