

READING SKILLS SERIES

Reading Comprehension

Read, Think, and Write

READING

Reading is a powerful tool for learning and growth. It allows us to explore new worlds, gain knowledge, and develop critical thinking skills. In this section, we will focus on reading comprehension, which involves understanding and interpreting what we read. We will provide strategies and resources to help you become a more effective reader.

Introduction

All of our Language Arts content material meets the Common Core State Standards and are written to Blooms Taxonomy. We emphasize critical standards of studying comprehension including context clues, determining the primary concept, and know-how inferences. Learn how photograph organizers can assist students studying comprehension by means of introducing the studying capabilities which are basic to analyzing fluency and expertise in all difficulty regions and conditions. In all 6 chapters we include 6 Read Along reading passages with voice over, 18 picture organizers, 25 vocabulary phrases with definitions, 27 pre-assessment questions, and 41 comprehension questions.
