

WOMEN IN
DEEP TIME
— STORIES —

HUGO AND NEBULA
AWARD—WINNING AUTHOR
GREG BEAR

Introduction

“Three tales with a commonplace subject matter: the lady psyche, expanded and divided,” says Greg Bear in his introduction to *Women in Deep Time*. “There’s probably something Jungian in commonplace with all 3. At any fee, in the course of my writing career (and for some thing motive) I’ve been interested in the feminine voice.”

Featured on this unique series are “Sisters,” Nebula Award finalist “Scattershot,” in which the inhabitants of many universes meet in limbo, and the Nebula Award–prevailing “Hardfought,” in which engineered warriors redefine humanity.
