to
Courage*

Michal Ann Goll
Foreword by Claudy Jacobs

Introduction

History is packed with women who have dramatically changed the sector. Their sacrifices, passion, and hearth still inspire us today. These pages spotlight the lives of 9 such women...Everyday women...Ladies who struggled with choices and the convictions in their hearts.

Today girls still face the equal selections, issues, and dilemmas. Each day brings an opportunity to impact the lives round you...The chance to alternate the records of your era.

As you examine approximately those women and the alternatives they made, may also you too be stimulated to heed the decision to courage and step up to the front strains of religion, wish, and love.
